List of Contents

Number 1–2

Theory and experiment in the foundations of quantum theory 1

M.A.B. Whitaker

Department of Pure and Applied Physics, The Queen's University of Belfast, Belfast BT7 1NN, Northern Ireland

Number 3–4

Light harvesting for quantum solar energy conversion 107

Tomas Markvart

School of Engineering Sciences, University of Southampton, Southampton SO17 1BJ, UK

Number 5

Light in elementary biological reactions 187

Villy Sundström

Department of Chemical Physics, Lund University, P.O. Box 124, S-221 00 Lund, Sweden

Number 6

Group III-nitride based hetero and quantum structures 239

B. Monemar, G. Pozina

Department of Physics and Measurement Technology, Linköping University, S-581 83 Linköping, Sweden

Book reviews 291
